**Parents/Guardians:**

Parents/guardians please attach a brief statement explaining why your camper should be considered for a scholarship, financial need or otherwise. Please touch on the character of your camper and how your camper's personality would contribute to the ArtsConnect Kids Camp. The character traits ArtsConnect fosters during each camp session are creativity, respect, communication, kindness, teamwork, and a fun-loving attitude toward art and new experiences.

**Camper:**

Campers please write or record a statement AND submit a piece of artwork that explains a public issue of concern. Through the essay and supporting artwork, campers should demonstrate how kids can address that issue. Consider how artwork (creating it and displaying it) could address and/or solve the issue. Essays and artwork should be attached. Three-dimensional work can be presented as a photo attachment.

*Please send the application, essays, and artwork to:*
